Lace Curtains!

Is Our Talk Today.

Not of the ordinary, every-day kind, that can be seen in every store, but of those kinds which are seldom shown except in large cities. No store, regardless of the magnitude of its buying and selling powers, ever offered for sale a finer line of Cluney, Renaissance, Arabians, Irish Point and Pont du Sprit Lace Curtains, so it is with confidence that we today throw open the doors of this store to begin a period of value-giving that has never been excelled. We are showing a few patterns of these beautiful Curtains in our windows today.
